

AI MISSION STATEMENT TOOL

A MAN WITHOUT DIRECTION IN THE AI ERA GETS REPLACED

STEP 1: BUILD YOUR STATEMENT

Answer these prompts. Don't overthink.

1. WHAT DO YOU WANT TO MASTER, BUILD, OR PROTECT AS AI RESHAPES THE WORLD?

2. WHY DOES THAT ACTUALLY MATTER TO YOU?

3. WHAT KIND OF MAN DO YOU WANT TO BE WHILE ADAPTING TO ALL THIS CHANGE?

4. WHAT VALUES OR RULES DO YOU WANT TO LIVE BY - ESPECIALLY WHEN TECHNOLOGY IS EVOLVING?

STEP 2: FINAL MISSION STATEMENT

Now put this into a single mission statement.

MY MISSION:

EXAMPLES

To stay useful and adaptable no matter how fast things change.
To be the kind of man who doesn't fear change or new things.
To protect my future by always staying one step ahead.
